

A technical diagram of the rear panel of the subwoofer. It shows a large circular woofer at the bottom, a square tweeter at the top, and a crossover network in the center. The diagram includes mounting holes and a small rectangular component at the bottom center.

A diagram of a rectangular plate with a central vertical slot. There are six circular holes: two on the left side, two on the right side, and one at the top center. A line points to the top-left hole.
